Schöntal Monastery

It's a wonderful historic place with basic rooms including bathroom and toilet, calm, kind staff and tasty varied cooking. You'll love it.

If You know Gottfried „Götz“ von Berlichingen (1480 – 23 July 1562), also known as Götz of the Iron Hand, which was a German (Franconian) Imperial Knight (Reichsritter), mercenary, and poet: He found his last resting place in the crypts of Schöntal Monastery.
